EXPERIENCE

Federal Reserve Board of Governors — Senior Research Assistant **Jun 2023–Jul 2026**

- **Managed the primary data operations for the Board's daily monitoring of the Bank Term Funding Program**
- **Developed a novel real-time monitoring tool for Federal Home Loan Bank (FHLB) advances across all domestic depository institutions**
- **Co-author on three ongoing projects: an exposition of the FHLB monitoring tool, an analysis documenting widening income-based gaps in housing-credit allocation following monetary tightening, and an assessment of subordination agreements that support collateral mobility between FHLBs and the Discount Window**
- **Provided analytic support for five peer-reviewed papers using supervisory and liquidity datasets**

Columbia University — Research Assistant to Professor Donald Green **May 2021–May 2023**

- **Built simulation models forming the analytical core of a forthcoming graduate-level textbook chapter on adaptive experimental design**
- **Co-authored a peer-reviewed study linking legislators' offspring sex composition to roll-call voting behavior**
- **Contributed to two additional peer-reviewed experimental studies through data and replication support**

Independent Researcher **Jun 2023–Present**

- **Developed my senior thesis into a peer-reviewed article published in the *American Political Science Review***
- **Conducting a follow-up analysis using data from the American National Election Survey**

Bipartisan Policy Center — Governance Intern **Summer 2022**

- **Contributed research and drafting assistance for BPC publications on election administration, including the report *A Brief History of Tech and Elections* and the explainer *Ballot Pre-processing Policies Explained***
- **Supported early planning for BPC's 2022 Elections Summit, creating the event webpage and drafting session descriptions**

High School for Math, Science, and Engineering — Volunteer Tutor **2019–2023**

- **Tutored high-school students for standardized tests including the SAT, ACT, SAT Math II, AP Calculus BC, AP Physics C: Mechanics, AP U.S. History, and AP World History: Modern**

New York Civil Liberties Union — Volunteer **Jun 2020–May 2021**

- **Helped clean and organize NYPD misconduct complaint data from the Civilian Complaint Review Board**
- **Produced outreach materials for the NYCLU's *New York City 2021 Voter Guide* initiative**

OTHER ACTIVITIES

Junior Editor, Columbia Political Review **Sep 2021–Dec 2022**
Barista, Starbucks **Jul 2021–Mar 2022**
Member, Columbia University Men's Rugby Football Club **Fall 2019, Fall 2021**
